

2014 Summer Research Internship Application

June 2 - August 8, 2014

The completed application, must be sent to Dr. Tuttle (via email: tuttle@uphs.upenn.edu or FAX 215-898-0090) by **5 pm on Feb 1st, 2014**

Name (last, first, middle):

Mailing address:

E-mail address:

Phone number:

School/College/Location:

Major:

Expected graduation date:

GPA:

FACULTY RECOMMENDATIONS (2 required)

Name of faculty member #1 submitting recommendation:

#1 Faculty's phone:

email address:

Name of faculty member #2 submitting recommendation:

#2 Faculty's phone:

email address:

List all science courses that you will be enrolled in during the 2013-2014 Academic Year.

Semester/year	Course name	Expected Grade	Notes, description, comments

SUPERS@PENN, Radiation Oncology, University of Pennsylvania School of Medicine,
8-131 Smilow Center, 3400 Civic Center Blvd., Philadelphia PA 19104
215-898-0062; 215-898-0090 (fax)

BIOGRAPHICAL DATA (you must be either a US citizen or have permanent resident status to apply)

Gender:

Citizenship:

Race and Ethnicity; check all that apply (optional)

☐ White ☐ Black or African American ☐ Asian ☐ Native Hawaiian or Pacific Islander
☐ Hispanic or Latino ☐ Native American ☐ Other _____

Were you awarded a Federal Pell Grant as part of the financial aid you are receiving for college ?
(optional) ☐ YES ☐ NO

Are you eligible for accommodations or other services from your College or University under the direction of the Americans with Disabilities Act? (optional) ☐ YES ☐ NO

PRIMARY INTEREST FOR SUMMER RESEARCH (please rank your top two choices)

- ☐ Radiation-related cell and molecular biology
- ☐ Radiation-related tumor physiology and/or tumor therapy
- ☐ Cancer-Imaging (x-ray, CAT scan, PET, MRI, Ultrasound)
- ☐ Radiation Physics

HOW DID YOU HEAR ABOUT THIS PROGRAM? (check all that apply)

- ☐ Family/friend/peer ☐ Professor or advisor ☐ Flier
- ☐ Web (specify site) http: _____
- ☐ Other _____

NECESSARY APPLICATION ATTACHMENTS:

1. SUPERS@PENN is an NCI/NIH funded summer research internship program designed for students considering graduate studies leading to a Ph.D. or M.D., PH.D.. Please provide a one page statement (11 point Arial font) describing your interest in cancer and radiation research as a career goal. Include any previous experiences in a research laboratory setting and how this helped develop your interest in research. Previous lab experience is not necessary for acceptance into the SUPERS program.
2. An unofficial copy of your academic transcript (the SUPERS program reserves the right to request an official transcript from any applicant when deemed necessary).
3. Two faculty letters of recommendation (at least one from a faculty member within your major field of study). Please use the recommendation form provided on the SUPERS web site. Completed recommendations should be sent to Dr Tuttle by 5:00 p.m. on February 1st 2014. It is the student's responsibility to make sure recommendation arrive before the deadline. Applications can be emailed as a signed PDF (tuttle@uphs.upenn.edu, faxed to: 215-898-0090 or sent by by US mail to the address below.
